Sep 22 2009 In html made by fckeditor i find the following character 13 What is this character? May 3 2016 In the process some kind of whitespace within elements is being converted into 13. It s pretty difficult to search for this one since search engines treat this character as whitespace

How do I scrub this character out of my xml output or at least replace it with a different preferable whitespace character? Thanks Python 2025 Python 3.12.x 3.13 Python Python 3.12 Feb 18 2025 Go to the Visual Studio 2022 Release History page and download a particular fixed version bootstrapper e.g vs\_Enterprise17.13.0 copy it into your layout and use it to update the layout to that exact version specified in the bootstrapper

Run the layout command in an elevated prompt to download the latest packages into your layout Aug 16 2023 CR 13 + LF 10 combine to create 1 total carriage return

If you do it in the opposite order the LF forces the CR to be on a new line producing 2 carriage returns Jan 14 2025 GoproInsta360 Jul 16 2020 PermissionError [Errno13] Permission denied C \\Users\\\*\*\*\*\\Desktop\\File1 I looked on the website to try and find some answers and I saw a post where somebody mentioned chmod

1. I m not sure what this is and 2. I don t know how to use it and thats why I ve come here Dec 1 2025 Join the conversation on Since Kiffin is making \$13million a year now

Read more on the premiere Clemson board Jun 7 2018 Chr 10 is the Line Feed character and Chr 13 is the Carriage Return character

You probably won t notice a difference if you use only one or the other but you might find yourself in a situation where the output doesn t show properly with only one or the other

So it s safer to include both Mar 3 2025 Installing a package without specifying a version usually attempts to install the latest release. So pip install pillow will give you the stable release of pillow which supports Python 3.13

Always look at the supported python versions of specific packages and verify that the package version you are trying to install is compatible.
