Tmatelo con calma 2048 is so easy to play you might get into the habit of
tearing through games without even really paying attention to what you re doing.
That s not a good idea. Take your time there s no penalty for thinking your
moves through after all

Also try to predict where new blocks might come in and how you could deploy
them. Something like playing chess. 2. Work The Corners Come giocare Usa i tasti
freccia per spostare le piastrelle

Quando due tessere con lo stesso numero a selezione rapida si fondono in uno!.
