Aug 17 2020 What does dialing * 21 do on iPhone? Hello apple community recently I stumbled upon a tiktok trend that is about this number. You write it as if you would call a new number. Typing in * 2 1 *. Then you dial it

Instead of calling the number there is a list that shows up on the screen Mar 14 2021 Dialing 21 cancels call forwarding on your device or again just turn it off in settings

What confused me was the what is someone titan * 21 as that made no sense to me when I first read it Jul 23 2020 iPhone 7 iOS 13 Posted on Jul 23 2020 2 28 PM Nov 22 2024 [SOLUTION] Failed to restore device in recovery mode libusbrestore error 21[com.apple.MobileDevice.MobileRestore 0x15 21] Dec 8 2023 warrenfromcarlton north Author Level 1 26 points com.apple.buildinfo.preflight.error error21 Nov 21 2022 Spam Calls from +353 21 425 9200 I also received a call from this number which I missed and no vm was left

That afternoon I arrived at the local apple store to pickup an order only to discover there was a delay in processing Jan 2 2025 com.apple.buildinfo.preflight.error21on macOS Monterey installation For anyone out there trying to reinstall Monterey OS and getting this error as I was try first erasing the hard drive using the disk utility and then reinstalling the OS

That was the only way I could get past that error message Aug 11 2010 I have been trying to encode an ! in an url but somehow it just doesn t work. I tried RFC1738 codes one website mentioned the code was %21 a couple others said it was %22. However both don t do any good

Any pointers? Dec 26 2025 Need help accessing your account? This User Tip explains how to Resolve password and sign in issues Understand and manage two factor authentication Navigate the account recovery process Secure your account after recovery What is Account Recovery? Account Recovery is a process designed to get you back into your Apple Account when you dont have enough information to reset your password Apr 3 2024 Received a call from Ireland +353 21 4259200 Apple verifying my order I received a call from hopefully Apple Babucarr

He asked me many questions about my order. Is this legit? If so why can t Apple support come through an Apple phone with some sort of credentials?.
