Aug 28 2021 To replace the old Google MTL here s an edited SugoiV4 MTL for v1.09. This is notaproofread format please do not use this foraGame Release thread. If you experienceacrash game breaking bug or seriously broken text please post meascreenshot andashort description when it happened

Providingasave just before the problem occurs would drastically increase the speed of the fixing Oct 22 2025 I am notaparticular fan of the level drain focus and it isalittle bothersome that everyone is eitherasuccubus or only uses level draining for sex instead of normal sex scenes but it is what it is

The extra content which i think used to be DLC has one bad ending where the futa protagonist specifically gets knocked up by another futa girl Sep 26 2021 There s some confusion with the level drain mechanics early on and the tutorial isn t very good but most of the mechanics are pretty intuitive once you figure them out

The control scheme is kind of awful but you get used to it

Just double check it in the settings menu every so often and it ll eventually become second nature Jun 27 2025 There s alsoaforgettable level drain mechanic when the player orgasms against an enemy but the levels are recoverable atashrine and there s an item that prevents it

Player level has very little impact on combat and it s not thematically important because enemies also drain mana 7 4 FROG PRINCESS [covenant] \Tainted Bog let her drain your level to 1.\ \Get special ring 50% chance to apply multiple ailment but 100 LUK cannot carry over new game.\ Use about 400 000 soul to level up Victoria and level yourself with the rest

Go and explore the Subterranean Land K n Yan monster here give most soul and you can kill them in 1 turn with Moonlight Ruin so farm upabit. You meetawarrior on the way ignore him

Go to the deepest part have 0 sin and meet Baphomet accept the quest it is possible to choose other options and still succeed only one route leads to striking out

On the second day once Millie has chased Warren speak with her then Derek about the Camera in the girls locker room go into the Janitors closet and look for the secret panel on the left hand back wall the mouse cursor will change when you hover over the right bit Any time after the first date Code Index In order Init Python variables Functions Definitions Screens Start and Introductions Bedroom Menu Content Settings Cheats Bed NTR Work Corridor Menu Gym Bathroom Kitchen Corridor NTR Communal Lounge Lounge Events Shower NTR Room Events Home NTR Jenny Office Security Office Girls Conversations init python Kabbalah\_Guru = False
