Jul 8 2025 The April 22 2025 update for Windows 11 version 22H2 and Windows 11 version 23H2 includes security and cumulative reliability improvements in .NET Framework 3.5 and 4.8.1. We recommend that you apply this update as part of your regular maintenance routines

Before you install this update see the Prerequisites and Restart requirement sections Apr 13 2025 44reformprogress reformprogress Discover the step by step process to change or reset your Windows password if you've lost or forgotten it

This guide will help you regain access to your Windows account quickly and securely 245688152025mm 1GB T50106 2001 DN15 DN20 DN25 2DN 3DeDeX 4 Download the Microsoft .NET Framework 4.8 package now

For more information about how to download Microsoft support files see How to obtain Microsoft support files from online services Learn how to improve the clarity of text and images displayed on your screen by changing the screen resolution scale and layout of your monitor Hotmail is now Outlook To sign in to Hotmail you'll need your Microsoft account username and password

Sign in at outlook.live Windows Update is the recommended method to download, install and update printer drivers

For information on how to update printer drivers using Windows Update see the following article Microsoft Rewards earning limit When searching you may run into a notice that informs you that you will only be able to earn points for searches after a specific period of time or that your searches within a specific period do not qualify for Microsoft Rewards points

This is to ensure customers are earning in good faith and not abusing the system. If you encounter this issue on your account To see where your browser is saving downloads look in your browser's settings. For example in the new Microsoft Edge select Settings and more > Settings > Downloads

The file path for your downloaded files for example C:\Users\[your name]\Downloads is listed under Location. In Microsoft Edge Legacy select Settings and more > Settings. Then scroll down to the Downloads section. The
