This guide will help you regain access to your Windows account quickly and securely. Learn how to improve the clarity of text and images displayed on your screen by changing the screen resolution scale and layout of your monitor. Hotmail is now Outlook. To sign in to Hotmail you'll need your Microsoft account username and password.

Sign in at outlook.live Windows Update is the recommended method to download, install and update printer drivers

For information on how to update printer drivers using Windows Update see the following article Microsoft Rewards earning limit. When searching you may run into a notice that informs you that you will only be able to earn points for searches after a specific period of time or that your searches within a specific period do not qualify for Microsoft Rewards points.

This is to ensure customers are earning in good faith and not abusing the system. If you encounter this issue on your account To see where your browser is saving downloads look in your browser's settings. For example in the new Microsoft Edge select Settings and more > Settings > Downloads

The file path for your downloaded files for example C:\Users\[your name]\Downloads is listed under Location. In Microsoft Edge Legacy select Settings and more > Settings. Then scroll down to the Downloads section. The.
