The existence of the trove seemed like a wonderful thing to me. Now that its gone I have found a partial unreliable archive. But I know people have access to pretty much the whole thingthrough torrent? Problem is I dont t know if I can figure that out

I Apr 19 2021 I think you just bring a semantics point here yeah it is a deepfake but calling it an edit gets the same point across. That it s not real but manipulated

Deepfakes are just a more sophisticated version of other edits people did in the past that makes it more problematic on the basis of being able to present the content as legit more people will believe it to be real. But you make a strogn.
