I can sleep at night because ofAbsoluteSecurity. As a CIO AbsoluteSecure Endpoint gives me peace of mind

It has strengthened our security posture allowing us to stay in compliance and giving us that extra level of comfort Today AbsoluteSecurity users can see all of their devices from a single pane of glass remotely query and remediate them at scale and even extend Persistence to the rest of their mission critical applications enabling true resilience across their organizations If you re anAbsolutecustomer log in to theAbsoluteconsole

If you re anAbsolutepartner log in to our Partner Portal Absoluteis the world leader and pioneer of endpoint resilience

Empower your organization to withstand and recover from cyber security threats and attacks on endpoints and installed mission critical applications AbsoluteControl gives you full visibility and command over every device in your endpoint population

Keep sensitive data safe by creating boundaries with geofencing and remotely delete data or freeze individual compromised devices even if they re off network AbsoluteCore enables remote deskless field and hybrid workers to securely access applications regardless of their location

Its built from the ground up for mobile first organizations with a better experience for users and rich controls for IT AbsoluteEnterprise provides real time data and threat protection against advanced zero day and cloud enabled threats and offers Endpoint Compliance that enables additional visibility control and resilience on devices Choose theAbsoluteproduct package that provides the solutions your organization needs Leverage our unique patented technology that is embedded in the firmware of 600+ million devices providing a secure and always on connection between theAbsolutePlatform and your endpoint Absolutegives IT teams a live tamper proof connection to every Lenovo device providing deep insights into software health endpoint risks and compliance gapshelping organizations proactively manage security posture at scale.
