ActionBlocks makes it easier for people who have a cognitive disability to use Android phones and tablets. With ActionBlocks you add common actions to your Home screen with a name or image

Then you can activate the ActionBlock for example a photo to trigger the corresponding action like calling a loved one. Step 1 Check requirements Important Its not recommended to clear Google Play services unless youve tried all other troubleshooting options

When you clear Google Play services data or storage it may delete some information saved to your device. Information may include passwords transit cards COVID cards and virtual payment cards saved to Google Pay

You may also need to reauthenticate your payment methods on Set input values dynamically when running an action on a set of rows by using referenced actions When the action is invoked from a ReferencedAction whether in the running app or in an automation the ReferencedAction can specify a binding expression using the input values

Let s assume we occasionally want to cancel a customers account Add an action to your favorites Action types Where do actions appear? Quick actions In the detail view a button is shown for each action in your app. When the button is tapped the action is triggered

Bulk actions In the table deck and gallery views actions can be applied in bulk across many rows simultaneously. See Use bulk actions Video action campaigns VAC are a simple and cost effective way to drive more conversions on and off YouTube all in a single automated campaign

In this article youll learn about the benefits of Video action campaigns and how Video action campaigns work Google is stuck as my homepage Google won t change your homepage settings without your permission. Reset your homepage

Choose a browser above then follow the steps to replace Google with the site you want as your homepage. Check for unwanted programs. If resetting your homepage doesn t fix the problem you might have unwanted programs called malware that s imitating the Google site

Learn Important To protect your account and data Google may not allow you to complete a sensitive action for 7 days. This happens if Google cant verify your identity

In the 7 day period You can still use and access your account but you wont be allowed to update any sensitive information or complete sensitive actions unless you verify its Cost per action Definition A cost per action CPA is the total cost
