Am G We re just two lost souls swimming in a fish bowl year after year D C G
Running over the same old ground Mar 28 2022 At the end where he says lost souls
swimming in a fish bowl the G D and C chords need to be shifted forward a little
bit

like the G starts more around the words Year after year. This is an excellent
song and it reminds me of my friend who also passed away recently Nov 22 2022
Simple easy to play chords for beginners to follow along with easily

If the F m is too difficult a slightly easier version of it to play is xx3111.
For C m you can do 0212xx or xx212x. Whichever feels more comfortable May 20
