Mar 20 2024 Minecraft for windows install freezes after reaching 93 percent even after resetting my pc and resetting Microsoft store so many times I am locked out of a game i own! Oct 16 2024 Hi Christoph My name is Levi and Independent Advisor helping you out today

I understand you have issues accessing your photos after a windows 10 update. Sorry to hear that! Was this a normal windows update or upgrade like a jump to the latest 23H2 version ? Are the pictures stored locally or on a cloud drive? You can check their path if you right click and select properties

This would Hello. After opening history of protection in windows defender it just freezes and then crash. I tried deleting the history but it didn't help

Windows is updated Dec 1 2018 Help me! My game keeps crashing 10 20 min after I join a convoy with my friend and it starts getting really frustrating cause I cannot finish races in this time. I have made sure that it's not a ram issue Dec 18 2017 I recently upgraded from Outlook 2013 to Outlook 2016

I can receive mail but each time I try to send mail the progress bar just keeps spinning. After about 5 seconds at the top banner says Outlook not Dec 20 2014 After running with my standard headset while away from home I finally figured out what triggers the audio to split

My sister frequently sends me videos from the Vine video sharing platform

A few minutes after watching one of their videos the sound splits as I described before and does not return to normal until after a reboot Sep 5 2015 After I upgraded my windows from W 8.1 to W 10 I used the PC with no problem until I put the laptop into power save mode

When I wanted to use it again I could not log in with the usual password I have

I have followed the instruction it says to reset my password and I have changed my password 2 times! Still I cannot log in into my PC Jan 15 2022 After PC reset can't install FSX Last week after a Windows 10 update my PC did a restart. It would not boot up and it tried repairing itself several times with no luck. Only way it would boot up was a reset but keeping my files. Once it booted up I noticed that FSX MICROSOFT FLIGHT SIMULATOR X HAD been uninstalled along with all the add-ons. After Windows update the 2018 03 Cumulative Update for Windows 10 Version 1709 for x64 based systems KB4090914 my WiFi adapter disappeared

What to do now? Oct 23 2020 Hi and thanks for reaching out. My name is Bernard. I'm a Microsoft Windows expert and a Microsoft Windows fan like you. I'll be happy to help you out today

Actually I have the same problem and by following the steps below fixed my issue I
