President George W. Bush signs the ViolenceAgainstWomen Act of 2005 VAWA 2005 into law on January 5 2006

VAWA 2005 authorizes numerous new programs with an increased emphasis on violence against Indian women sexual assault and youth victims CDC works to understand violence experienced by American Indian and Alaska Native people and to address the issue of missing or murdered Indigenous people by collecting data that can guide prevention efforts and supporting violence prevention programs Title VII of the Civil Rights Act of 1964 protects employees or applicants from discrimination based on his or her national origin including Americans

Title VII's protections apply equally to all racial ethnic and national origin groups International terrorism is a serious and deadly problem that threatens the vital interests of the United States This landmark federal legislation's comprehensive approach to violence against women combined tough new provisions to hold offenders accountable with programs to provide services for the victims of such violence Intimidation threats coercion or discrimination against a person other than the individual who engaged in protected activity may constitute adverse action in some circumstances May 6 2025 In this session OVW staff will summarize the programs requirements review the funding opportunity and answer frequently asked questions

The session will be captioned in English and Spanish.
