May 6 2015 noalibijig Done a search yesterday for lil noalibijig used in 50s and 60s last one i bought was in Taft fl in 1965 used them for flounder but would like to buy or tie some for specks but they are like hen s teeth

Did find a couple of good articles in the archives by guys that are familiar with the jig The original Rooty Tooty 309 looked almost identical to the NoAlibi. Mr. Cromer is the only one I know that still has some in his tackle box except Feb 20 2006 That is what we call a NoAlibi

Haven t seen one with the noalibiname on the card lately though. I have caught a lot of crappie and white bass on the red head with white hair one of those

After Thompson got going Hadacol and Pee Wee were no more. Everything was a Doll Fly May 6 2015 Done a search yesterday for lil noalibijig used in 50s and 60s last one i bought was in Taft fl in 1965 used them for flounder but would like to buy or tie some for specks but they are like hen s teeth
