Jun 3 2015 I m looking to get a floattubeanchor just for fishing relatively shallow lakes. 15 30 feet. I have seen a few styles and sizes that are available but I m really just curious about weight

I still float old school in the roundtubestyle float tubes thisbig but will eventually step Jul 21 2025 Clean clean clean Light spray silicone etc Recoil spring worn or dirty Check the friction rings for correct Orientation Magtubedirty? ours work fine in HB with LB Extractor dirty or damaged.Bet its just dirty if it worked before? Quality cleaner first then light wipe down again a light teflon silicone etc.Springs cant move feely worn or just fouled Dec 21 2025 Less than 19 down thetube

The scope is a vortex venom 5 25 57 ffp. Bought for a sheep hunt May 18 2025 Except for the first assembly attempt where I forgot to guide the watertubeon to the new pump connection and forgetting to reconnect the transmission linkage everything went perfectly

I feel really fortunate that when the old impeller died 2 Vanes were broken off and one vane turned the wrong way it didn t push any water Jan 1 2023 I did a search and everything I found is pretty outdated so I thought I would ask here

Who is the go to reel repair guy in the Portland area? Nov 20 2013 I am curious how much weight most people are using for Kokanee with manual downriggers? Jan 2 2025 Cindi found two gravid female Dungeness crabs. one that stopped hertubecold the other fully exposed before we carefully buried it

Back at Chez Doc I spilled 1 jumbo 4 large 6 medium and 4 smalls onto my cutting table Nov 1 2025 Thanks part of my confusion is finding out how many was to catch fish and the tackle

I have been enjoying the youtubevideos but way too many lures and rigs which only confuses me more I am focused on panfish because of my grandson but also curious in Steelhead and Salmon because of the rivers nearby Oct 7 2021 The cable end goes thru a steeringtube back off the big nut holding the cable to the directional valve and see if you can turn the wheel

If the cable moves then its in the steeringtubemost likley. If the cable it locked up then something happened to the steering helm or cable. It won t be both sides of the system Nov 17 2003 The old Heidi s inAloha was there for dinner about 3 nights a week back in the early 80 s

Can t remember the name of the place that was underground under Safeway at 185th and TV hwy back in the day. The Hunt and Fish in Beaverton. Could shoot pool 24 7 there. Plenty of time to get straight sober after they quit serving beers at 2am.
