Oct 1 2025 Amnesia is cool and I do assume they still enjoy working on those games but Soma was just so far beyond it artistically in my eyes

I m so happy to see them hinting at something that looks like it s kind of in a similar vein at least in terms of ambition and risk taking Jul 31 2025 The stuff they gave him in Superman II telekinesis being able to throw his chest emblem as a huge plastic trap and the amnesia kiss are nothing compared to some of the insane stuff those comics had Oct 20 2025 Amnesia and Outlast are horror games but they ain t survival horror games

Get them outta here. Alan Wake II feels like it s stretching it too but I suppose it can count even though it still doesn t belong in the top ten

Replace those with Dead Space Siren and Silent Hill 3 then swap RE 96 with REmake and you re cooking with gas Oct 11 2024 Because Origins is different from the current games we ve removed the numbering system Sho san says adding that another reason is the focus on one key protagonist who has amnesia

While the previous Dynasty Warriors games tell the full Romance of the Three Kingdoms story Origins is only focusing on what can be considered the first half of the story which is up until the battle of Jun 25 2025 2077 with path tracing looks great. Alan Wake 2 is also quite the looker

Also worth booting up another horror game like Dead Space or Amnesia The Bunker if that s your kind of thing. The warm comforting glow of gray is gone and instead replaced with pitch black. It s a whole nother level of scary. Also check out this thread for RenoDX

It s a pretty good community driven HDR mod Jul 2 2020 Amnesia The Dark Descent Remastered Massive visual overhaul mod for the classic horror game has been released CenturionNami Jul 2 2020 Oct 27 2025 The 2025 Game Soundtrack of the Year vote thread is live! Voting will remain open for 1 month 21 hours 56 minutes until Feb 1 2026 at 12 00 AM

Cast your vote for your favorites! Dec 10 2025 Why say from the creators of Soma? Isn t Amnesia their flagship ip? Likely because Ontos looks like a spiritual sucesor to SOMA rather than Amnesia Dec 7 2024 Amnesia plots need a payoff and that s all really and i am seeing it right now

And if Momo wants to stop losing to Okarun then get those memories back but don t go too fast since she got a whole lot of being embarassed to catch up to Jul 13 2023 This looks really well done from the flat2VR Discord everyone **Amnesia The Dark Descent VR Remake Available Now For Free! ** Modder Developer Deesice has worked for over 3 years to build the ultimate way to experience Frictional Game s classic Amnesia The Dark Descent
