Mar 30 2023 Is it weird to ask someone to wear gloves for fingering? I've been playing with someone new and got my first yeast infection afterwards got medicated for it it was fine until we played again

We don't do PIV sex so I was just wondering if it would be rude weird to ask them to wear gloves while fingering me for this reason? Feb 21 2013 How to and risks of Ass Fingering Recently whenever I go down on my wife and take her afterwards her ass hole is always wet since my saliva drips down

I started first by playing by that area and recently started putting maybe like an inch of my finger inside her ass Feb 5 2021 Anal sex can stimulate the g spot and the a spot which is why many women enjoy it

I don't know what to tell you about being good at it though it all depends on how she likes it Apr 16 2022 Vaginal and anal sex i.e. direct genital to genital contact are almost always how HSV 2 spreads

Yes nothing is ever 0% but it's really very unlikely you would contract it from anal fingering like this.
