I am female and was sexually abused by my mother who also actually sounds very much like your mother unable to establish boundaries. humiliating and making fun of me sexually

It took me a very long time to tell anyone about this as no one had ever heard of mothers sexually abusing children let alone their Dec 30 2013 My abuser was a much older man and I was a 10 year old girl. All of the things he did to me I enjoyed

I asked him to tuck me in because I knew what he would do. I liked the way he touched me whispered in my ear kiss my neck everything. He eventually left my life and I didn t think anything of it. It wasn t until I was 14 15 years old that I realized how he abused me
