Let s look back at some memorable moments and interesting insights from last year. Your top 10 posts Zerohedge political bias? Wikipedia now says Zerohedge is a far right organization. Is this true? I thought it was mostly a financial news site

The comments and voting seems to be a mixed bag of political opinions

What are your thoughts on this? by u Buy_Physical_Silver Anyone have Zero Hedge is the most dishonest piece of shit in the financial media which itself is chock full of dishonest pieces of shit Feb 1 2016 Zero Hedge has the luxury of not having any of the pressures that professional forecasters have

With the lack of burden on their shoulders they are free to go at it and again for lack of better phrase stir the pot and see what others have to say think about it Jan 8 2016 Zero Hedge How legitimate is the content posted on Zero Hedge? I ve found myself reading the site recently and to me it always seems as though they have a the sky is falling mentality

What are your thoughts on the blog? I m usually a really big Matt Levine guy so I wonder if he s just skewing my view with his god like understanding Zero Hedge had some credibility back then but by 2012 they were still telling everyone to avoid real estate

That everything was about to crash more and just buy silver. I m so thankful I got away from there and do the exact opposite of what they say. Perma bull is the way. Reply reply resumethrowaway222 Reply reply Veeg Tard Reply reply May 30 2018 I also read zerohedge a lot

Here is my few inputs Their financial analysis is overall solid and the problems that they point to are real dangers however their articles and headlines are written like the financial world will end tomorrow

Politics I like the fact that they give coverage to a lot of issues that goes unattended by the traditional media and I think that they rise interesting Jan 16 2019 r ZeroHedge_Official Zero Hedge Media s Official SubredditPress J to jump to the feed

Press question mark to learn the rest of the keyboard shortcuts Mar 18 2023 How crazy was Silicon Valley Banks zero hedge strategy? Not as nuts as you might think but pretty nuts By Robin Wigglesworth The most popular example of the fecklessness of Silicon Valley Bank is that it stupidly amassed a \$124bn bond portfolio and then even more madly didnt hedge against the swelling interest rate exposure May 10 2020 I love zero hedge because they do actual investigative journalism and provide interesting information
