AO crashing and entire system locking up I decided to try and help

I ve replied to other posts on the same topic but I can t find all of you that are having this problem

If you are crashing in missions and other places to the point where you entire system locks up and has to be rebooted to play again or you crash to the Blue Screen of Feb 26 2009 The Little MP Guide Table of Contents Introduction Breed IP Weapon styles and weapons Armor Nanos Implants + Symbiants Perks LE Research and Specials Fighting as an MP Tradeskills and the MP Suggestions for the new MP Player Resources and Links Version id and Credits 1

Introduction Welcome to the Meta Physicist profession. This is one of the more interesting and variable professions in Dec 14 2009 As is you get your professions Nanodeck as reward from the Dust Brigade Peacekeeper Constad quest chain. To be able to do this questchain you need to be level 205+

To equip this Nanodeck and use the other rewards you get in this quest nanos you need to be level 215. The nanos themself got no level req allthough some of them got rather high requirements

Could we pretty please with Dec 17 2003 To do the Elysium Sanctuary quest all you have to do is go back to Ecclesiast Enel Gil where you started the garden quest and give him your garden key and he will give you the mission

Basically you re going to kill the same mobs you just tagged for the garden key quest in the same order you tagged them

The last on will have a briefing on him that you will return to Enel Gil and receive your Aug 18 2003 Trader Guide A rough guide in the works Trader the profession people love to hate. The Trader Profession is a very diverse profession

We get roots calms debuffs heals and well even charms Considering our abilities the trader is primarily meant as a backup team player but with a bit of skill they can be quite competent at soloing as well in the lower levels Feb 8 2016 A few notes before the wall of text begins Play nice
