The meaning of THEN is at that time. How to use then in a sentence Idiom but then again Definition of then from the Cambridge Advanced Learner's Dictionary Thesaurus Cambridge University Press 1. at that time Prices were lower than. 2

immediately or soon afterward The rain stopped and then started again. 3

next in order of time or place We ate then we started home What's the difference between then and than? Then is a very common word that's used in situations involving what comes next either in terms of time as in Just then the door opened or We saw a movie and then we drove home or a result as in If you forget to water the plants then they will wilt Then helps specify the succession of events clarifying when something occurs in relation to another

It sometimes appears in phrases indicating change such as back then which refers to a past time You use then at the beginning of a sentence or after 'and' or 'but' to introduce a comment or an extra piece of information to what you have already said

He sounded sincere but then he always did Nov 12 2015 To keep this pair of words straight focus on this basic difference than is used when you're talking about comparisons then is used when you're talking about something relating to time.
