Feb 19 2024 Angel Dust Time Of Birth April 1st 1910 1914 Time Of Death 1947 Years Since Death 77 Chronological Age 110 114 Biological Age 33 37 Other Angelis the only character with a confirmed birthday so far even if we dont know the year

His birth date is also shared with his fraternal twin sister Molly who went to Heaven after her death Husk Sep 1 2021 Angelwas much younger seeming and in his most vaguely feminine stage when he was dating Vaggie

After this the story for Hazbin obviously changed a whoooooole lot! It was decided that the characters were dead humans andAngelwas decided to have died at age 35 approximately Mar 27 2024 For example in early drafts of the story Angel Dustand Vaggie were dating

Now Vaggie and Charlie are dating Vaggie is a lesbian andAngel Dustis a gay man with romantic feelings for Husk. There were also a lot of changes made from the 2019 pilot to the 2024 show PronounsAngel Dustare referred to as in the Hazbin Hotel pilot He s he guy son him effeminate

All 6 of these are male exclusive pronouns. We also see Vaggie ask once if he is being a sexist which would only make sense ifAngel Dustis a male. Also Angel Dustis voiced by a male using a very male like voice

Also Alastor gives him a masculine gangster suit when putting on old SA victim here and I loveAngel Dust

While our situations are vastly different I do relate to the lyrics of Poison and think the story is hard hitting but for some it may be construed as too close to home Jan 30 2024 SinceAngel Dustmoved out and now lives at the Hazbin Hotel due to the rules of their contract Valentino can t do anything toAngel Dustoutside of leaving voice mail messages onAngel s phone

In short so long asAngellives in the Hotel Valentino has no power overAngel Dust So Angel s ultra femme kinky personality in the show is said to be mostly a cover up for his broken mental state from his treatment from valentino so with that out of the way what else is the real version of himself like? Mar 6 2024 Why didAngelsign a contract with Valentino in the first place

What are your theories why? While Valentino ownsAngel Dust s soul the terms of the contract stateAngelonly has to obey Val when he s at the porn studio and is free to do as he wishes outside

Val initially got around this limitation in the contract by havingAngel Dustlive in the studio giving him maximum control time over Jan 23 2024 Angel Dustuses a tommy gun and was part of the Italian American mafia at their peak so he
