Apr 8 2021 Should I use an or a before the word another ? If yes when should use it. Or I can just use another without anyofthose articles a an Jan 2 2016 In the noun phraseanother sister the determiner slot is filled byanother a determinative. This word was formed by compounding an + other

I m sure you already know you can t put my and an together because that would be two determiners together. For the same reason you can t put my andanother together. * [Myanother sister] is taller than me May 12 2023 Another an other is singular so call attention toanother s mistakes indirectly

Summary others things for more than one another s thing or things for one Aug 26 2019 But regardlessofthe context and how the second sentence is interpreted anotherand other mean something different another two two more two additional two other two different as replacements two different in addition Jul 3 2021 If just a few hundred hoursofplay based therapy can improve my life and saveanother s I am more than happy to help

Should I replace quot anotherquot with quot anotherquot ? Nov 23 2022 Onanotherdate is more natural when talking about a meeting at some point during the day. It conveys that the meeting happens over some unspecified period within the day

Atanotherdate is more natural for something like a deadline or a change in state e.g. The website will go live atanotherdate. It conveys that the event is a single instantaneous event Feb 21 2017 7 No it s not supposed to be another

They actually left out the word one it s understood by native speakers. See below. I have just imparted to you two piecesofadvice. Whether you will eventually choose one over the other [one] is a matterofpersonal choice so good luck

Another is the contracted formof an other Jul 25 2015 I wrote this sentence The user may modify the letter or listen to the word foranother time

Just I don t know whether I could or should write it without for ? Then what would be the difference? Apr 3 2021 Another two and two more mean the same thing and both are acceptable in this case

I prefer two more as it echoes the patternof two guards in the first sentence It s perfectly possible to say for example that was inanother time somewhen during some relatively non specific earlier age period whereas atanother time means a specific time often not too far distant from whatever time it s being contrasted with.
