Apr 8 2021 Should I use an or a before the word another ? If yes when should use it. Or I can just use another without any of those articles a an Jan 2 2016 In the noun phrase another sister the determiner slot is filled by another a determinative. This word was formed by compounding an + other

I m sureyoualready knowyoucan t put my and an together because that would be two determiners together. For the same reason youcan t put my and another together. \* [My another sister] is taller than me May 12 2023 Another an other is singular so call attention to another s mistakes indirectly

Summary others thingsformore than one another s thing or thingsforone Aug 26 2019 But regardless of the context and how the second sentence is interpreted another and other mean something different another two two more two additional two other two different as replacements two different in addition Jul 3 2021 If just a few hundred hours of play based therapy can improve my life and saveanother s I am more than happy to help

Should I replace quot another s quot with quot another quot ? Nov 23 2022 On another date is more natural when talking about a meeting at some point during the day. It conveys that the meeting happens over some unspecified period within the day

At another date is more natural for something like a deadline or a change in state e.g. The website will go live at another date. It conveys that the event is a single instantaneous event Feb 21 2017 7 No it s not supposed to be another

They actually left out the word one it s understood by native speakers. See below. I have just imparted to you two pieces of advice. Whether you will eventually choose one over the other [one] is a matter of personal choice so good luck

Another is the contracted form of an other Jul 25 2015 I wrote this sentence The user may modify the letter or listen to the word for another time

Just I don t know whether I could or should write it without for ? Then what would be the difference? Apr 3 2021 Another two and two more mean the same thing and both are acceptable in this case

I prefer two more as it echoes the pattern of two guards in the first sentence It s perfectly possible to say for example that was in another time somewhere during some relatively non specific earlier age period whereas at another time means a specific time often not too far distant from whatever time it s being contrasted with.
