Dec 1 2023 Kaspersky Free Probably the best out there but many are avoiding it because it's Russian software. You should stay away from it if you work for the government to avoid any risks of whatever people think of

But if you're an average citizen then Kaspersky Free is an excellent option Bitdefender Antivirus Free I think it's second best out *To chat with any character from Books Movies Anime etc. Use this Prompt I want you to act like {character} from {series}

I want you to respond and answer like {character} using the tone, manner and vocabulary {character} would use. Do not write any explanations

Only answer like {character}. You must know all of the knowledge of {character}

Dec 4 2021 Are there any good free vpns? I am looking to install and use a vpn for free not pirated for my own use

Are there any genuine good vpns? ARC Raiders is a free to play cooperative third person shooter where you wait for information

Since Nexon owns Embark they have delayed ARC Raiders over and over to push The Finals Jan 29 2023 Agree with everything here except one thing from what I've seen most streamers still do NOT use software to remove songs from VODs

Even top 100 50 streamers on twitch still play music seemingly without any concern
