Time until the First Challenge unlocks 2025 12 01 00 00 00 America New_York 2025 12 01 00 00 00 America New_York What is it? For those who haven t taken part before this is an annual coding challenge which welcomes Feb 21 2025 Wonderful speech

AOC really does have IT. Let s see if she has what it takes to boost a positive Dem thread to 2 pages!!! Sep 19 2025 He became a Cabinet member and is still a legitimate candidate for 2028. Running in 2020 was a better career move for him than trying for a House or Senate or Governor position

And if Harris had won AOCpositioned herself for the same thing Sep 19 2025 AOC s had a rocky time tryin to play politics what with the Biden situation and her backing him obviously being essentially forced to shut her mouth by Pelosi in backroom talks and still on about defensive weapons to Israel

But she s still young and her getting into a Senate position would do a lot for her notoriety and connections Nov 30 2024 The Hill FloatsAOCas Potential 2028 Presidential Candidate The Hill on Friday floated Rep

Alexandria Ocasio Cortez D NY as a potential contender for the 2028 Democrat Presidential nomination Nov 4 2025 PSA the system menu has both a gallery featuring all the character artwork including maskless sages and the new bosses! and a music player! Can t remember where that was located forAOCor if it had one but yeah! Nov 15 2025 AOCis an incredibly talented politician and communicator but has been made a lighting rod for negative partisanship by the right since the moment she was elected Apr 15 2025 AOCraises record \$9.6M this quarter amid increasing calls to primary Senate minority leader Chuck Schumer shinobi602 Apr 15 2025 USA Discussion EtcetEra Forum Oct 9 2025 AOCis like THE most demonized person in the Democratic Party amongst the Fox News obsessed population

How she overcomes that in must win swing states I personally can t picture

I even think something as trivial and inconsequential as her age would turn off a ton of older voters who would think she s too young and inexperienced to be POTUS Oct 29 2025 TheAOComments are great if you re liberal left leaning but to the MAGA chuds and fake pearl clutching white democrats that secretly voted for Trump its but she just wants to debateAOC

Why isAOCbeing mean about it?. Her speaking engagement fees are up to \$25 000 and she did a lot of them this year at colleges and politician campaigns.
