POF just at some point went through a change and commercialized. I don t know if they are usefule or not anymore but things just changed. It was a reasonable dating app before with lots of hookup nonsense

It appears unusable now just because if you have to pay to use it There are better alternatives. Reply reply OrganizationSame8899 Aug 8 2023 So I want to make extreme Divination potions because of the great XP and to boost my div lvl so I can harvest the lvl 95 whisps however

What s the best way to get mushrooms to feed your POF Zygomites? Farming them is in no way efficient as you only get one mushroom per plot. At the moment im throwing my Arc Mushrooms in the POF pens to feed them. But that takes ages. Anyone got any other 14 votes 25 comments

9.5K subscribers in the PlentyofFish community Aug 14 2023 So coming back all these years later finding pof much different I figured I d ask you guys who are currently knowledgeable about the here and now POF

The site I left doesn t allow any communication without a subscription May 21 2020 When POF came out of the gate they quickly developed a reputation for absolutely *impeccable* machine work

That solid reputation was still accurate at the time of my last POF purchase a 2018 Revolution which truly is a machinists dream and even looks great under a jewelers loupe Hey guys. Im looking to setup my POF and Ranch for pure GP gains post 200m

Is there a good guide out there for what to put in each pen? What do you May 29 2019 All POF USA firearms have a 100% satisfaction guarantee and have a limited lifetime warranty

POF USA firearms are warranted against defects in material and workmanship for the life of the firearm regardless of ownership Whats the site like these days? I am wondering how POF is in 2024 I used to use it back around 2012 2014 and had decent success

I have heard that POF basically is pay to play now is it worth downloading the app or should I stick to tinder? Nov 2 2018 Hello Ironman friends When i first started POF it didn t take long time at all to completely run out of all of the seeds and fruits I had stacked up in my bank the last few months

So I m looking for suggestions on how to easily get my hands on big stacks of low level seeds vegetables fruits etc to feed my animals Jan 19 2019 A problem with the PoF for early game Ironmen is that we can t buy our animals Chinchompas are very rare via Hunter and annoying to get virtually all spiders have ~2 250
