Apr 15 2021 Open Finder and the Shuffle should appear as a device on the left side pane. Click on it and a familiar iTunes interface will appear where you can sync content to the iPod shuffle

See here for specifics link > Use the Finder to sync your iPhone iPad or iPod with your computer Apple Support Mar 7 2024 The iPod Shuffle does still work with iTunes but you will need to use a data cable not an audio one. It needs to be data at both ends

Not only that but if your MacBook is using macOS 13.6 as stated in your signature strip although this isn't always correct then surely it doesn't have iTunes on it? Sep 7 2023 An iPod shuffle isn't capable of storing content from Apple Music

However you can sync purchased music through iTunes on a Windows computer or Finder on certain macOS systems Jan 4 2025 iPod not supported on Apple Devices Windows 11 Following the mid December update to Apple Devices my iPod Shuffle is no longer recognised

It worked fine for the last year or so The recent update 1.5.2.58 has not fixed this Feb 22 2025 I have an old ipod shuffle 3rd gen which I bought in 2010. It is not turning on

When I connect charger green light comes Sep 23 2023 Some models of Shuffle require a Dock in order to connect to your computer

Have you previously managed to connect the iPod to your MacBook Air with this cable? Jun 19 2013 Those methods work but the actual way to delete specific songs from an iPod shuffle without doing anything to your main iTunes library is to do the following

NOTE This applies to a 3rd or 4th gen shuffle that you loaded manually drag songs to it in iTunes. Automatic syncing works differently

If the iTunes sidebar along left side of window is visible select the shuffle in the sidebar Feb 2 2024 Ipod Shuffle not appearing in iTunes I have a fully updated Windows 10 and the latest version of iTunes. I have an iPod shuffle 2nd gen that I've used without an issue for years

Just the other day I fired up iTunes to add some new songs to my iPod but iTunes wouldn't register it Jul 13 2021 Hello Update\_iPod\_Shuffle Thank you for using Apple Support Communities! It sounds like you're having a problem with updating

We would be happy to help! Let's start by first identifying your iPod shuffle model Identify your iPod model. Check out the following support article which provides some troubleshooting steps to try for this behavior Apple Support
