Bring the bold flavors of a classic Philly cheesesteak to your grill with this homemade Philly Cheese Steak Bratwurst recipe

Loaded with juicy pork seasoned to perfection and packed with high temp mozzarella cheese these brats combine everything you love about a traditional cheesesteak in a perfectly seasoned sausage link. These hearty brats are sure to bring the house down whether at a backyard cookout or a night in with the family.

Inspired by the well loved flavor of the Philly Cheesesteak these masterfully grilled Boar's Head Bratwursts are loaded with sautéed onions, green peppers, mushrooms and melted creamy Provolone Cheese. I'm a big fan of bratwurst. And I'm an equally big fan of Philly cheesesteak sandwiches.

This recipe combines the two into the perfect backyard grilling food. To me the best texture for brats comes from a mixture of pork and venison. I prefer a 50/50 blend but you can go as high as 60/40 venison to pork and still get a nice texture. I like an equal blend of pork and venison for brats.
