Sep 8 2021 Welcome to the eighth No More Heroes daily boss discussion! Today we're talking about the deadpan psycho diva the original rank 2 of the UAA Bad Girl. It's taken a while but I think we're officially in the big leagues now with these bosses at least for NMH1

I don't think it's super controversial to say that Bad Girl is incredibly popular. Hell the entire plot of TSA basically exists I have an OC that's a bad girl type anger issues likes punk and metal wears all black drinks heavily all that kind of stuff

Studio Bridge Director Jouji Furuta Everyone talking about bad= good or cool are missing the point that the bad is used to mean like hot AF or filthy hot. It's a specific thing that isn't what most posters are talking about Dec 22 2020 11 votes 51 comments

Witchblade has had a few runs that are considered Actually Good. In the Big 2 Jim Balent's Catwoman has its fans and the Jim Lee X-Men era is basically definitive for a certain generation of X-Fans What babygirl names scream bad girl in a good way to you This is a people thing

Bad boys girls are exciting and unpredictable

It's like a roller coaster or a haunted house you want to go and it's fun for about ten minutes I will say though if you're talking about online how these guys go on about good girls purity submission schtick etc they don't mean not a word of it May 29 2019 There's an achievement added in the A Women's Lot DLC called Bad Girl has anyone figured out how to unlock this achievement yet?.
