tried my best to show all angles and unedit + piece together clips just cause zeus loves to edit so messily Jun 6 2024 East>South>West>ATL East Great characters story arcs and fights. The only con was that the show was too long

But the miscarriage storyline the woah vicky storyline the chain snatching storyline and finally Rock turning on her sister storyline were all very interesting and unique. South Probably the most organic and least scripted season. A lot of iconic and funny moments
