Jun 6 2024 East>South>West>ATL East Great characters story arcs and fights. The only con was that the show was too long. But the miscarriage storyline the woah vicky storyline the chain snatching storyline and finally Rock turning on her sister storyline were all very interesting and unique

South Probably the most organic and least scripted season. A lot of iconic and funny moments. Good Mar 24 2024 24K subscribers in the BaddiesSouth community
