Bailey Jay exploiter of our challenges or transsexual that make a living any way she can? Where does Bailey fall in the world of LGBT? I mean she is clearly transsexual

Yet I saw a video where she does Porn because thats what she is good at

Does this offend any? should we care? IS she being exploited for others gain? do we care as a community? Sep 28 2015 Bailey Jay is one of my trans heroes if it wasn t for seeing girls like her much earlier in I doubt I would have ever come to know transition was possible

It breaks my heart that she went through this but it also encourages me Oh yeah. There are some great recordings of Opie and Anthony where they talk about Bailey Jay. It s pretty hilarious

I remember having to catch my breath from laughing when listening to Jim and Anthony talking about trans pornstars. And Jim mentioned that he had lunch with Bailey Jay and the husband one day

And Anthony interrupted and was all you re all just sitting there eating sausage Bailey Jay is just SO pretty and SO cutesy and SO slutty AND she has a big cock AND I just found out she has a podcast and is actually supersmart and cool! Jesus Fuck what the fuck

Today I had daydreams about her totally nonsexual just very cute

The main one was I am somehow seated next to her on an airplane Dec 10 2021 Who are we talking?
