Maybe it is because my route has changed where I have to drive across Providence every single day but I am genuinely concerned for my safety every time I get in a car

This is only one of the absolutely psychotic things I have Mar 11 2024 On a video submission showing a transwoman who is sitting on the floor touching a man s feet despite the fact he keeps moving his feet and eventually kicks her on the face in a metro When you tried to steal a phone through thebuswindow and it didn t work
