Use this calculator to find out the amount of tax that applies to sales in Canada

Enter the amount charged for a purchase before all applicable sales taxes including the Goods and Services Tax, Harmonized Sales Tax, GST and any Provincial Sales Tax, PST are applied. If you own or operate a business in Canada, you need to know about the goods and services tax, GST and the harmonized sales tax, HST.

This guide provides general information such as how to collect, record, calculate and remit the GST/HST.

It also includes line by line instructions to help you fill out your GST/HST return. The HST includes the provincial portion of the sales tax but is administered by the Canada Revenue Agency, CRA, and is applied under the same legislation as the GST.

The HST is in effect in Ontario, New Brunswick, Newfoundland and Labrador, Nova Scotia and Prince Edward Island as of April 29, 2025. Under the Excise Tax Act, Canada ETA, GST is payable by the recipient of a taxable supply of goods or services made in Canada.

Generally, a supplier of such goods or services is required to register for collection and remit the applicable GST to the CRA by October 2, 2025. In Canada, businesses collect sales tax on behalf of the government and remit it to the Canada Revenue Agency.

Also known as a Value Added Tax, VAT, in some countries, sales taxes in Canada come in various formats. There is the federal sales tax referred to as the Goods and Services Tax, GST. Most goods and services purchased in Canada or brought into Canada are taxable.

Examples of taxable goods and services can be found in the CRA Guide, RC4022, under the heading Taxable Supplies, June 26, 2025. From the latest 2025 rates to intricate rules for businesses, this resource is your definitive guide to sales tax in Canada. Our calculator is designed for simplicity and accuracy.

To ensure you get the most out of it, here is a straightforward numbered guide followed by detailed real world examples that cover common scenarios. Use our HST calculator to quickly and accurately calculate HST for any Canadian province.

Whether you're adding tax to a price or separating the total into federal and provincial portions, this tool makes it easy. As of February 9, 2023, most goods and services sold in Canada are subject to the Goods and Services Tax, GST, Harmonized Sales Tax, HST, which is added to their final price. As of June 12, 2025, online sellers in Canada might need to register with up to five sales tax agencies.
