Apr 17 2020 Hi everyone I would like to know the meaning of the expression bare with me. I asked a question about two forms expressions in English. Then someone replied. But before giving the explanation that person wrote the following paragraph

Hi Jorge that is a very good question you asked. I do May 16 2015 I can't even bear to be able to accept or deal with something unpleasant the thought of going home because it doesn't feel like home anymore

Bare means to support or hold up which does not fit into the sentence Mar 24 2009 How do you spell bare in expression please bare with me?? is that right ? thanks Dec 18 2008 It seems to me that the to is optional whether or not there is a direct object and subject of the secondary verb

The following are all correct a They helped decide the question. b They helped to decide the question. c They helped me decide the question d They helped me to decide the question

e They helped those people decide the May 18 2009 Our on site dictionary suggests accroupir for to bear down but that doesn't sound right to me. Is that a possible translation from your point of view or would you choose pousser or something else? No it's not correct

Bear down = exert pressure downwards. E.g Could you just bear down on this piece of wood while I screw it in place? May 7 2013 Hi I had a question about the translation of kis bare men kis ke liye in a sentence

How would you translate ? Could you translate this both as for whom is this? and for what is this? ? Could Dec 6 2011 Hi everyone I have a question about bear vs bare as to endure

I know that the word is bear as in bear with me but I was writing an e mail and said I bared with it which just seems to be more grammatically correct than either I beared with it or I beard with it which suggests a Jun 7 2010 Please bear with me means please be patient while I'm doing something often for your benefit

Please bare with me is a sign you might have in your shower. It means please get naked with me Sep 23 2004 Hello I wonder what bare with me means confused The context was something like I'm a little bit of a shy person so please bare with me

Any idea how that can be translated into Spanish? Jan 30 2012 Can anyone tell me the difference between using bare+ gerund and bare+ infinitive?? I cannot bare watching the same films I cannot bare to watch the same films. Thanks.
