Dec 2 2022 Bayonetta1 is a character action masterclass that can hang comfortably with the likes of Devil May Cry

Bayo 2 is barely in the genre and I haven't settled yet on where Bayo 3 sits but its way closer to 2 than 1 Aug 7 2023 Bayonetta3 is a really good game and might be the bestbayonettato play through gameplay wise but the story is SO bad

Inbayonetta1 2 the story is nonsense but the characters all act like themselves bayonetta3 s story is just so egregiously bad with its handling ofBayonettaherself that it kinda of puts a stink on the rest of the game Dec 1 2025 I d prefer a new UK based actor to take the mantle for the next one.Bayonetta3 as a whole was a big old disappointment so I m okay with that series being shelved for something new still need to play Ninja Gaiden 4 Jan 9 2025 I lovedBayonetta1 and 2 and to this day still laud them as excellent games

I pre ordered the collectors edition for 3 and was highly anticipating the game even if I had a couple of hesitations after watching the gameplay trailers Jun 5 2025 Bayonetta3 seems to be 60 in gameplay now from what ive read. So that s a big one

Which Batman ? There are a couple of Batman games on Switch.Bayonetta3 at 60 FINALLY They re probably referring to Arkham Knight Nov 12 2023 The writing and presentation is better Bayonetta s character really only hits the mark perfectly in the first game and I adore the dreamy romantic art direction

1 is for me one of the greatest games ever made. 2 is a fun sequel that hits some great highs but too many lows as a successor. 3 is just a mess Sep 24 2025 The ResetEra Games of the Year 2025 Vote is here! Voting will run for 20 days 18 hours 29 minutes

Let everyone know about your favorite games this year! In addition we again have a vote for Games for Impact! Dec 1 2025 No offense to Hale Taylor sucks! but if they ever do anotherbayonettagame they should get a british voice actress to playbayonetta her accent was incredibly distracting

also ignore most story stuff in bayo 3 but thats a different story lol Mar 25 2024 The firstBayonettais a masterpiece the 2 sequels are trash. Ninja Gaiden Black is the only good one of the 3D games. DMC 1 3 4 and 5 are all good to great. DMC 2 and Ninja Theory s vomit were terrible

So while each series has the same amount of bad games only DMC has more good games. DMC wins by default Jan 25 2025 This is not aBayonettathread though. It asks which is the best character action game in the world not which is the best out of those two
