2024 Im such a fkn simp and I hate it Ill spend years alone tell myself that I
hate women and that Im blackpilled or redpilled

But the second some sloot shows me a little love I immediately become a massive
bitch and I wanna get married and give her the world Apr 21 2014 There is
absolutely no reason why a woman with a low partner count can t also have a
highsexdrive the same is true of men

I am my gf s second guy knew her when she was a virgin in high school and we
have kinky AFsex constantly

because she couldn t have possibly slept with any of the other 3.5 billion men
besides you and her first huh? May 27 2010 The most popular bodybuilding message
boards!My opinion is not one of those

But FWIW total cals is a primary concern for me and getting a decent meal around
your workout pre post or both is beneficial and the voice of when is what works
best for you
