Jan 2 2016 The word best is an adjective and adjectives do not take
articlesbythemselves. Because the noun car is modifiedbythe superlative
adjectivebest and because this makes the noun car definite in this context we
use the. It isbestnot to do something

Here we have the adjectivebest but this adjective is attached to no noun Oct 18
2018 In your context thebestrelates to {something} whereasbestrelates to a
courseofaction

Plastic wood or metal container? What was thebestchoice for this purpose?
Plastic wood or metal container? What wasbestto choose for this purpose? Either
is acceptable and the practical meaning is the same but their referents implicit
not explicit are different May 25 2022 Which one is thebest is obviously a
question format so it makes sense that which one thebestis should be the correct
form

This is very good instinct and you could even argue that the grammar is good but
atbestit s unnatural Oct 20 2016 Both sentences could mean the same thing
however I like youbest

I like chocolatebest better than anything else can be used when what one is
choosing from is not specified I like you thebest

Between chocolate vanilla and strawberry I like vanilla thebestcan be used when
choosing from some choices Apr 2 2019 Your example already shows how to use best
as an adverb

It is also a superlative like greatest or highest so just as you would use it as
an adjective to show that something is the ultimate exampleofit s kind when used
as an adverb you do so to indicate that the adjective it precedes is to the
highest degree possible

In your example experienced is the past tenseofthe verb to May 29 2023 So It is
thebestever means it s thebest ofall time up to the present

It was thebestever means either it was thebestup to that point in time and a
better one may have happened since then or it includes up to the present Aug 22
2020 I mean here You are thebestat tennis and you arebestat tennis choose the
book you like thebestorbest bothofthem can have different meanings but most and
another adverb in a standalone sentence has a completely different meaning Jan
18 2017 The second sentence as you said contains a superlative best

In English unlike in some other languages such as Spanish the superlative does
not require a definite article. In fact it would actually sound weird to say It
is thebestto stay here
