Jan 2 2016 The word best is an adjective and adjectives do not take
articles by themselves. Because the noun car is modified by the superlative
adjective best and because this makes the noun car definite in this context we use
the. It is best not to do something

Here we have the adjective best but this adjective is attached to no noun Oct 18
2018 In your context the best relates to {something} whereas best relates to a
course of action

Plastic wood or metal container? What was the best choice for this purpose?
Plastic wood or metal container? What was best to choose for this purpose? Either
is acceptable and the practical meaning is the same but their referents implicit
not explicit are different May 25 2022 Which one is the best is obviously a
question format so it makes sense that which one the best is should be the correct
form

This is very good instinct and you could even argue that the grammar is good but
at best it is unnatural Oct 20 2016 Both sentences could mean the same thing
however I like you best

I like chocolate best better than anything else can be used when what one is
choosing from is not specified I like you the best

Between chocolate vanilla and strawberry I like vanilla the best can be used when
choosing from some choices Apr 2 2019 Your example already shows how to use best
as an adverb

It is also a superlative like greatest or highest so just as you would use it as
an adjective to show that something is the ultimate example of its kind when
used as an adverb you do so to indicate that the adjective it precedes is to the
highest degree possible

In your example experienced is the past tense of the verb to May 29 2023 So It
is the best ever means it is the best of all time up to the present

It was the best ever means either it was the best up to that point in time and a
better one may have happened since then or it includes up to the present Aug 22
2020 I mean here You are the best at tennis and you are best at tennis choose the
book you like the best or best both of them can have different meanings but most
and another adverb in a standalone sentence has a completely different meaning
Jan 18 2017 The second sentence as you said contains a superlative best

In English unlike in some other languages such as Spanish the superlative does
not require a definite article. In fact it would actually sound weird to say It
is the best to stay here
