Jan 2 2016 The word best is an adjective and adjectives do not take
articles by themselves. Because the noun car is modified by the superlative
adjective best and because this makes the noun car definite in this context we
use the. It is best not to do something

Here we have the adjective best but this adjective is attached to no noun Oct 18 2018
In your context the best relates to {something} whereas best relates to a course of
action

Plastic wood or metal container? What was the best choice for this purpose?
Plastic wood or metal container? What was best to choose for this purpose?
Either is acceptable and the practical meaning is the same but their referents
implicit not explicit are different May 25 2022 Which one is the best is obviously
a question format so it makes sense that which one the best is should
be the correct form

This is very good instinct and you could even argue that the grammar is good but
at best it is unnatural Oct 20 2016 Both sentences could mean the same thing however
I like you best. I like chocolate best better than anything else can be used when
what one is choosing from is not specified I like you the best

Between chocolate vanilla and strawberry I like vanilla the best can be used when
choosing from some choices Apr 2 2019 Your example already shows how to use best
as an adverb

It is also a superlative like greatest or highest so just as you would use it as
an adjective to show that something is the ultimate example of its kind when used
as an adverb you do so to indicate that the adjective it precedes is to the highest
degree possible

In your example experienced is the past tense of the verb to May 29 2023 So it is the
best ever means it is the best of all time up to the present

It was the best ever means either it was the best up to that point in time and a
better one may have happened since then or it includes up to the present Aug 22
2020 I mean here You are the best at tennis and you are best at tennis choose the book
you like the best or best both of them can have different meanings but most and
another adverb in a standalone sentence has a completely different meaning Nov 8
2019 Consider this sentence This is the best ever song that I've heard

This is the best song ever that I've heard. Which of them is correct? How should we
combine best ever and a noun in gen Jan 18 2017 Thesecond sentence as you said
contains a superlative best. In English unlike in some other languages such as
Spanish the superlative does not require a definite article
