Jan 2 2016 The word best is an adjective and adjectives do not take articles by themselves. Because the noun car is modified by the superlative adjectivebest and because this makes the noun car definite in this context we use the. It isbestnot to do something

Here we have the adjectivebest but this adjective is attached to no noun Oct 18 2018 In your context thebestrelates to {something} whereasbestrelates to a courseofaction

Plastic wood or metal container? What was thebestchoice for this purpose? Plastic wood or metal container? What wasbestto choose for this purpose? Either is acceptable and the practical meaning is the same but their referents implicit not explicit are different May 25 2022 Which one is thebest is obviously a question format so it makes sense that which one thebestis should be the correct form

This is very good instinct and you could even argue that the grammar is good but atbestit s unnatural Oct 20 2016 Both sentences could mean the same thing however I like youbest

I like chocolatebest better than anything else can be used when what one is choosing from is not specified I like you thebest

Between chocolate vanilla and strawberry I like vanilla thebestcan be used when choosing from some choices Apr 2 2019 Your example already shows how to use best as an adverb

It is also a superlative like greatest or highest so just as you would use it as an adjective to show that something is the ultimate exampleofit s kind when used as an adverb you do so to indicate that the adjective it precedes is to the highest degree possible

In your example experienced is the past tenseofthe verb to May 29 2023 So It is thebestever means it s thebest ofall time up to the present

It was thebestever means either it was thebestup to that point in time and a better one may have happened since then or it includes up to the present Aug 22 2020 I mean here You are thebestat tennis and you arebestat tennis choose the book you like thebestorbest bothofthem can have different meanings but most and another adverb in a standalone sentence has a completely different meaning Jan 18 2017 The second sentence as you said contains a superlative best

In English unlike in some other languages such as Spanish the superlative does not require a definite article. In fact it would actually sound weird to say It is thebestto stay here
