Throughout the building warm wood cladding and concrete floors are accented with the schools signature colors of red and gold

The BIG designed interiors are designed to accommodate future scientific innovation incorporating elements such as reconfigurable classrooms and modular seating The Mountain is a hybrid combining the splendors of a suburban lifestyle a house with a big garden where children can play with the metropolitan qualities of a penthouse view and a dense urban location The building embodies BIGs notion of hedonistic sustainability while contributing to Copenhagens goal of becoming one of the worlds first carbon neutral cities Shaped by the movement of the water the surrounding park is designed by BIG Landscape and manages storm surges through sloping terraces vegetated dunes and wetland gardens that slow and absorb the flow At the foot of BIG HQ BIGs Landscape team has transformed a former parking area into a 1 500 m² public park and promenade inspired by the sandy beaches and the coastal forests of Denmark BIG has grown organically over the last two decades from a founder to a family to a force of 700

Our latest transformation is the BIG LEAP Bjarke Ingels Group of Landscape Engineering Architecture Planning and Products. A plethora of in house perspectives allows us to see what none of us would be able to see on our own

The sum of our Bjarke Ingels Founder Creative Director BIG The first and second floors include four play zones arranged by color and programmed with activities that represent a certain aspect of a childs learning red is creative blue is cognitive green is social and yellow is emotional BIG has grown organically over the last two decades from a founder to a family to a force of 700
