Mar 4 2015 It doesn't really answer your specific question jrocks but I simply love clits! Big or small fat or thin swollen or not swollen I just love a clit to lick and suck and hopefully bring my woman to orgasm

I'm just a sucker for clits! Pun quite obviously intended Feb 1 2024 It may be memories at this point however sucking my wifes big clit was like giving a bj to a Mini cock

Do normal sized women have large clits or is this just a big girl or muscle girl thing. Just curious

Check out videos of Haley Reed. Her clitoral hood is pretty fuckin big Mar 13 2017 By this time she is in the very beginnings of losing control. Her clit begins to swell and her pussy lips are soaked. I give her a little more licking tightening my lips

Her orgasm explodes. Her clit is super sensitive now and I have to back off while she finishes her orgasm. She truly understands the power in her clit

She loves what it does Dec 27 2020 The other night I was straddling my husband and about to hop on when I began grinding and rubbing my clit against his hard dick

I ended up taking his Apr 3 2008 D Big Large Huge Guys or bi lesbian girls what size do you prefer A Small B Average C Above Average D Big Large Huge E Doesn't matter For me I love above average big huge clits
