However it also noted that during the course of the operation debris from expended munitions fell in Jabo and 10 15 2025 12 08 Subject Whats thebigfuss about AAP? Anonymous wrote Sure but it s a lot easier to prep your child to suck up to the teacher than it is to prep them to a 98th percentile+ score

For what AAP is it would make the most sense to just use an achievement test Disable HTML in this message Disable BB Code in this message Disable smilies in this message Nov 15 2025 Why are Chromebooks given to kids starting in kindergarten given what we know about plummeting literacy rates decimated attention spans the inability to read and comprehend AND in light of AI bring poised to make most computer science jobs obsolete? Why isn t there an uproar over this? Do parents not know the extent of it? I subbed for two years and was aghast as a parent in this district [quote=Anonymous]I stayed at the same place for 20 years and moved up

Took risks agreed to jobs others didn t want. Waited out some very bad managers. Also around \$200k plus but 40 hrs a week and not much travel. Being at the right place at the right time in the company helps a lot

You can dismiss it or criticize it but it is pretty groundbreaking and its clear a lot of people find it important and helpful

Some magazine New Yorker I think just did the forever 35 face article about how Because if Banneker has 25 percent ofbigneed students and SAT is very correlated with poverty 1 4 bad scores would bring down an average pretty quickly
