Mar 13 2022 [Spoilers] In Season 1 Big Pussysuffered a back problem since Nobody Knows Anything and had been apprehended by the FBI a few days afterwards

ButPussywas released from custody while Jimmy Altieri was still in jail being held up by the authorities until hed eventually become a rat for the FBI

Since his release Big Pussyhad been often complaining about his back and then Im killingBig Pussy which made Tony realize that regardless of how much they all liked him the character arc was done and if Tony didnt realize he was a rat by now and didnt do anything about it hed look extremely weak which would hurt all of them in terms of fan perspective and viewership
