May 5 2014 While I know you can attribute bitch to a male I feel there is a sense of femininity

I was wondering if there is a colloquial equivalent that describes someone with the qualities of a bitch Jun 12 2013 Given the popularity of the bros before hoes mantra I suppose it's likely most people who say Fuckbitches get money are using fuck to mean don't waste time with rather than have sex with

But I'm sure both senses co-exist and it's subjective. Not constructive for ELU to adjudicate on a single true meaning. I often talk with friends using the phone and I'm not sure how to correctly pronounce the word beach. Some people hear it as a bitch

Synonyms What goes around comes around Getting his just desserts He had it coming and strongly related to Payback's a bitch It is likely a mix of having bad Karma and the idiom Payback's a bitch where Payback is performed by someone wronged by the now punished person but Karma just happened to the person for some seemingly righteous Jan 8 2024 Including some dates would be useful to compare it to other related memes like bitches be like lyrics and other usages Jan 17 2025 I would like to understand the nuances behind the use of the word 'quot nigga quot' in various situations

I am Japanese and have never lived in Western countries and I'm asking these questions pu.
