Community Living Alternative Services CLAS is a private social service agency incorporated in the Province of Alberta in 2004 to assume operations formerly conducted under Kigep Management Ltd and Kigep Community Support Programs Ltd Community Living Alternative Services CLAS is a private social service agency incorporated in the Province of Alberta in 2004 to assume operations formerly conducted under Kigep Management Ltd and Kigep Community Support Programs Ltd I acknowledge and agree that no promises regarding contracts or subcontracts have been made to me and I understand that nothing in this application form or in the granting of any interview creates a work related or position related contract or provides any benefits to me CLAS Manager provides resources and tools for managers to support individuals with developmental disabilities in achieving independent and inclusive living The Day Alternatives Program offers comprehensive and cohesive services to meet the needs of adults with developmental disabilities

Individuals accessing services choose activities that are offered mostly in the community andonsite I acknowledge and agree that no promises regarding employment have been made to me and I understand that nothing in this application form for employment or in the granting of any interview or any offer of employment creates a contract of employment or provides any benefits to me Moved to electronic submissions for all HR related documents forms Community outreach workers have moved to supporting individuals in their homes to reduce exposure training for employees and replac with online training available Moved to online interviewing i.e

Go to Meetings Zoom Moved to direct deposit for all Subcontractors Find a safe home Understand and fill out forms If you need support 3 5 hours a week the Community Support Program can help. Day Alternative Program D.A.P

We believe that you will have a better quality of life if you are with other people learning and staying active Our commitment is to promote the development and well being of individuals to strengthen positive relationships between individuals and their communities and to promote independent living The World Health Organization states that While we are still learning about how COVID 2019 affects people older persons and persons with pre existing medical conditions such as high blood pressure heart disease lung disease cancer or diabetes appear to develop serious illness more often than others

As you know many of our individuals have compromised or weakened immune systems.
