Aug 8 2010 I believe most white men and asian men have at least some body hair

But I dont recall ever seeing a blackman with hairy arms or a hairy chest Nov 4 2024 So Sky are following the BBCs lead and casting black actors in unlikely historical roles in this case Robert Catesby leader of the gunpowder plot escapee fugitives Nov 5 2025 Compliance may increase over time and I m confident the OSA will currently reduce the number of people who encounter porn or other unsuitable content without seeking it out

What you re saying reminds me of the people who object to vaccines because they don t offer 100% protection from illness Jul 22 2024 These people need to remember that young people as a rule don t have lot of disposable cash whereas those of us with some money to spend can t find anything that we want to buy

I m never going to buy a neon pink lurex cropped cardigan or some over processed junk food so stop pushing them

Young people have a huge amount of disposable cash Jul 30 2025 Just in general it amazes me that so many people and news outlets have fallen for the Bonnie Blue has slept with a thousand men story just because of her saying so. It s complete and utter bollocks

Bonnie the businesswoman you ve got it spot on there because it looks like she s selling porn but what she s really selling is deliberately provocative rage bait especially when she s doing Aug 25 2024 Clearly by these people she means black people

Did she use the phrase these people when talking about the people who used the death of school girls to riot and loot their way across England and Northern Ireland? Jul 24 2025 Didn t realise till he died today that Hulk Hogan used the same word several times in reaction to his daughter dating a black man

There s just far too many nasty and intolerant people out there Mar 21 2012 This ^ You and your wife are actually enabling her drink problem. By keeping her afloat like city slicker says you are allowing her to continue her ways so to speak

Stepping back is really hard to do especially when you re the type of person like your wife where just a little tug on the heartstrings does it but it really is the only way to push your friend to the point of realising she Mar 1 2025 Advertisers need to be brave and cast real looking families white families black families chinese families asian families etc as well as single parent and same sex parent families and if that upsets people who cares? I dont think you understand the purpose of advertising which is to sell as much of a product as they can Aug 24 2007 Yes hardcore is legal in this country
