First of all there was no license plate number on the letter and second it was a blank statement Feb 14 2019 u blair_hudsonOther basic resources EC2 RDS etc how do you authenticate to access these resources? are the passwords or certificates rotated regularly? do they belong to appropriate security groups? can they access the public internet inbound traffic or are they at risk of production data exfiltration outbound traffic ? can they access each other should they be able to? Blair in season 1 was a hypocrite and thats why her downfall was so hard

ETA this is in addition to the misogyny of the time that other people have pointed out. Nate wouldnt get this bad of treatment for sleeping around for two reasons 1 he was nicer to people thanBlairwas but 2 hes a guy.
