The iconic anime series is coming to an end after more than two years. Originally released as part of the Weekly Shonen Jump lineup, *BLEACH* the manga continues to capture readers' hearts throughout the world with over 130 million volumes sold to date.

The 366 episode long epic anime TV series *BLEACH* found its start back in October of 2004 and led to four feature films (Oct 5, 2004). *Bleach* was one of the first anime I ever watched and it's still one of the most memorable for me.

The world is full of style Shinigami, Zanpakutō, Bankai, and intense battles that mix emotion and technique.
